

Thunderbird 50th Anniversary Celebration – August 1-3, 2008

Volunteers Needed!

Help make the 50th Anniversary event a wonderful weekend for Thunderbird aficionados. We need volunteer assistance in a variety of areas:

August 1-3:

1) Pick up the musicians at Sea-Tac Saturday morning; return them to airport Sunday (time tba)

2) Event set-up/break-down/clean-up at Skansie Brothers Park on Saturday & Sunday:

Skipper's check-in/registration
T-bird booth
Oral history booth

3) Set-up/break-down/clean-up at Gig Harbor Yacht Club:

Friday evening (Kick-off event)
Saturday evening (Banquet)

4) Event Registration tables:

Friday evening
Saturday morning
Saturday evening
Sunday morning

5) Regatta volunteers – Saturday

6) Flight-of-the-Flock volunteers – Sunday. Volunteers will be stationed in anchored rubber rafts or small craft around the harbor, serving as “pick-up points” for course “T-Bird cards.”

7) Race Committee

8) Jerisich Dock monitors: Friday, Saturday, Sunday. We have reserved one side of the dock for the weekend event. Signs will be posted, but if necessary, we would like a dock monitor available to make sure only T-birds are tied to the dock during the weekend. Non-T-birds can tie up on the other side of the dock.

9) Help shuttle T-bird sailors from hotels to Skansie Park activities
